

# HOLMRUN WINTER BASEBALL CAMP 2015

The HolmRun Baseball Camp has the primary goals of connecting our youth players with our High School players, and having a fun baseball experience during the biting cold of the winter in the High School Field House.

The first session is from 12-4PM on Monday, January 19th, Dr. King's Holiday. The camp starts with 2 hours of fun skill drills. Then, while the Camp Members have lunch provided by Bulldogs Hot Dogs, the High School players create 4 evenly matched teams. Coaches address the participants with some of their philosophy during lunch, then after lunch, the younger and older players team up for a tournament that takes them through the remainder of the session and into Tuesday and Wednesday nights (7-9PM.)

We hope your student can join us. If interested register at [bataviaparks.org](http://bataviaparks.org) or at one of the Batavia Civic Centers.
