

Disciplinary Policy

There will be NO tolerance for Bullying, Misbehavior and Name-Calling to other club members, coaches, staff or other skiers or riders.

Should such incidents occur the following steps would be taken:

1. Contact the child's parent to be removed for the day.
2. If no parent can be reached then the child will be looked after for a fee of \$15.00/hour at the snow school desk.

This one occurrence will be noted as the only warning, and should another confrontation take place the child will be dismissed from the program and the club.

All members should also note the Code of Conduct for the BC Alpine Association at www.bcalpine.com.
