Last updated: October 12, 2016

LEAGUE RULES

1. There will be no residency rule. In no situation will a team be allowed into the league that is unwilling to travel for all games or cannot provide a suitable playing field and patched umpire.
2. The league entry fee is \$300.00 payable to 'MCBL'. This fee is collected to cover the costs of league.
3. Each team must submit a Certificate of Insurance; thereby holding MCBL including its coordinators/administrators harmless from any liability incurred before, during or subsequent to any practices, league or tournament games.
4. All teams are required to make every reasonable effort to play and complete all scheduled regular games. Double booking of games is prohibited and will result in game forfeiture(s) and possibly league expulsion. Reasonable advance notice (1 week) must be given to an opposing manager/team when unforeseen conflicts arise necessitating rescheduling activities. In the event of a rain out or other postponement teams have two (2) weeks to reschedule a game, if after that time the team or teams have tried to make contact and failed, e-mail will be sent to the division coordinator, in order that he or she will intervene to get the game rescheduled. If a team does not respond or has no time to reschedule the game they will be given a 7-0 loss and the other team a 7-0 victory. We all go into the season committed to play all of our games and we are obligated to do so regardless of the standings. The league administrators and division coordinator will resolve any disputes, when necessary.
5. The winning team is responsible for entering the score into the website, this must be done within 24 hours of the completion of the game. The leagues standings will always remain current.

GENERAL RULES

6. **PROTESTS:**
Protests may be submitted to your division coordinator and the league coordinator. For consideration there will be a \$100 cash fee. If the protest is held up, the money will be returned. If not the funds will be forfeited.
7. Teams must fill out the roster section of the website, with a maximum of 15 players to the league coordinator by March 1st of the upcoming season. Teams may not add players to their roster after the start of the season except in extreme cases, subject to the majority approval of the League and Division Teams. Violation of the rule will result in a forfeit of all games played by non-roster players. A player may not be rostered on two teams within the same age division. They may be rostered on two teams of different age groups in different divisions and must meet the age requirement of each team. Rosters will be locked by the league administrators on March 1st of the current season.

11. The league's regular season is scheduled to run from April 1st through June 30th. Postponed games need to be made up as soon as possible and before the end of the season (and/or designated date) in order to determine final standings and seeding for the league tournament.

Should a team suspect an illegal bat is being used, time should be called and both managers shall meet with the umpire. The offending team will receive a warning for the first infraction and the result of the play is an out. All runners return to their original bases (if applicable); subsequent infractions will result in a forfeit and the manager ejected for the next played game.

20. 8U – NO lead-offs, NO infield fly rule, NO pickoffs, NO balks, and NO dropped third strikes. A runner cannot steal until the pitched ball crosses the plate and may not advance on an overthrow made on a steal. A runner may only score on a bases loaded walk, or a batted ball in play.
21. 9U – NO lead-offs, NO infield fly rule, NO pickoffs, NO balks, and NO dropped third strikes. A runner cannot steal until the pitched ball crosses the plate. A runner may only score on a bases loaded walk, or a batted ball in play.
22. 10U thru 14U – full baseball rules apply (e.g. infield fly rule, balks, dropped third strikes).
23. **Pitching rules:** It is strongly encouraged teams keep track of pitch counts to ensure the safety of pitchers.

 - f. 14U – 18 outs per game, 24 outs per day
24. Pitcher's are allowed 8 warm up pitches between innings or when coming in relief.
25. Pitchers may not wear any wristbands, batting glove, reflective sunglasses or white-sleeved clothing that may cause distraction to hitters. Additionally, they may not chew gum or seeds while pitching. Sports goggles with transition lenses are legal.
26. One free trip to mound per inning is allowed by a coach or manager. On the second and all subsequent trips the pitcher must be removed.
27. Once a pitcher is removed from the game as a pitcher he/she may not re-enter as a pitcher.
28. A pitcher must be removed from the mound if two (2) batters are hit by a pitched ball in an inning, or, if the same pitcher hits three (3) batters in a game.
 - a. 14U and older – if the same pitcher hits three (3) batters in a game.
29. **Balks:**
 - a. 8U and 9U – there will be no balks called.
 - b. 10U, 11U, 12U, one balk warning will be given per pitcher per game. Subsequent balks runners will be advanced. 13U and up, the umpire will give no warning.

30. **Courtesy Runners:** Will be allowed for pitchers and catchers of record (i.e. the previous inning) and injury to a player. The courtesy runner must be the last batted out.
 - a. – It is recommended to have a courtesy runner for the catcher of record (i.e. the previous inning) after two (2) outs.
31. Base runners must move appropriately to avoid interfering with the fielder, at the base where a play is being made, or in the field, whenever possible, in order to avoid contact. If the offending player is ruled out, the umpire may eject the player from the game for any flagrant or intentional contact. The play is defined by the umpire's judgment and should be discussed as part of the pre-game ground rules. The umpire's decision is final.
32. Fielders are not allowed to fake tag. The offending fielder may be ejected from the game after the umpire has issued one warning per game (not per team). The umpire's decision is final.
33. Hitters are not allowed to "show bunt" and then swing away. The hitter will be called out.
34. Teams must use a continuous batting order for all players showing up. Free substitution is in effect except for pitchers. Once a player is removed as a pitcher, he or she may not return as a pitcher for the rest of that game, suspended or otherwise.
35. A player removed from a game due to injury or sickness does not result in an out when it is their turn at bat.
36. Metal cleats
 - a. 9U thru 12U metal cleats are not allowed.
 - b. 13U and up metal cleats are allowed.
37. Courtesy is the rule regarding warm up and use of the fields between teams. When the game field is eligible for practice use - each team is entitled to a minimum of 10 minutes and a maximum of 15 minutes of use before each game. It is suggested that the home team uses the field for practice first, thereby allowing more travel time for the visiting team to arrive to the field.
38. Managers are responsible for the conduct of their coaches, players, parents and fans. Umpires are authorized to eject violators out of the game and may request the individual(s) to leave the park prior to proceeding with the game. Failure to leave the game or park, at the umpire's request, will result in the team's forfeiture of the game, as well as potential further disciplinary actions, i.e. game ejections, game suspension, league suspensions, or league expulsion. Both managers of the teams involved will report anyone ejected from any game to the league coordinator/administrator. The league coordinator/administrator decisions are final in these matters. Sportsmanship and appropriate community conduct are what we are judged on. Please keep things in perspective!
39. At the end of the season a single elimination tournament can be played, if possible, at a neutral site. If no neutral site is available the higher seeded team will host the game. The highest seeded team will be the home team throughout the bracket. Seeding for this tournament will be based on a points system (1 point for a loss, 2 points for a tie and 3 points for a win), and then head-to-head play, then runs allowed, then runs scored, then a coin flip. This format encourages teams to play all of their games.

40. The fee will be \$300.00 plus fees for payment processing. We found it necessary to do this as the league received many invoices for the league year-end tournaments. Although this was never the intent as it was to be handled by the division coordinators, it seems as though administratively this is a better option. The fees collected will cover the following: League website, League insurance, meeting room rental; End-of-year single elimination tournament costs: 1st and 2nd place trophies each division, tournament umpires, tournament baseballs.
