Expanding your program

The option remains to expand your program with the support of the parents. As per the Rules of Operation, any fundraising and/or donations are to be applied to the overall cost of the program. Alternatively, you have the ability to ask for a vote from the parents to apply those dollars to expanding your program instead. Your League Convener will initiate the vote and will tally the results and report back to the Head Coach and parents as to the outcome. Majority is established at 65% or higher.

If you have any questions about your budget, expanding your program or new programs for this coming season, please contact your League Convener.
