

Tryout Details

Club Volleyball Season 2017-2018

Tryout T-Shirts and numbers will be given out the day of the parent meetings. If your age group has a 2 day tryout, please note that we have made a change for the second day of tryouts. All of our national coaches will offer athletes a position at the end of the first day. Those athletes, do not need to return the second day. This will allow our regional and local coaches a better time to work with and chose their teams on the second day. Please note that tryouts are closed to parents.

****Attend our pre-tryout clinics to get ready for tryouts!

Age	Cost	Parent meeting date and time	Tryout dates and Check in time
