

MN Wilderness 50-50 Raffle Information

All,

Hello and thanks again for taking the time to participate in the 50/50 fundraiser. A few things I'd like to cover to help things go smoothly from start to finish.

- Please arrive 15 minutes before game to allow for time to get things together for 50/50
- Go to the 2nd floor apparel sales table and let them know you are here to do the 50/50
- They will line you up with the tickets, posters, and buckets will be in the back room/closet of the 2nd floor fitness room on the shelves
 - Tickets are paired, so one in the bucket, and one to the individual
- They will also give you \$150 dollars to use for change back to the individuals who buy tickets and need change back
 - The \$150 will be collected after the money is counted by Dave Boitz, the Wilderness General Manager, or a representative of his
- Continue to sell tickets until 5 minutes after the 3rd period has started, and then go back to apparel table to meet up with Dave or his representative
 - They will probably be able to help locate him if he isn't around
- Dave or representative will count the money, giving you half for Esko Hockey, and keeping half for the drawing
 - Have Dave or representative record amount and initial by it on the front of the supplied envelope to place money in

We have been asked that we DO NOT stand in the entry and sell tickets because they have chuck a duck and other things going on there so we don't want all of us competing. You will need to walk around the stands WITH KIDS to sell tickets. He really wants the kids walking around talking to people. PLEASE walk around more than one round in the stands, MANY rounds work the best!

Please keep the envelope with the money with you until the next practice where you can hand it to myself primarily, or Troy, Brianna, or Andria. Feel free to contact me with any questions.
