

To become a member of AAU follow these 9 steps:

Remember that if you don't want to play with the fall or winter team then you don't need to do this. Playing in the fall or winter program is not mandatory for you to remain in class or try out for the team in the Spring.

1. Log on to www.aupacificsouthwest.org
2. Click on view site
3. Click on join now
4. Click on join now in the athlete category
5. Complete all of the information in the required areas
6. Our club name is Grizzly Baseball
7. Our club code is XTF7B7
8. You will need to pay for the membership which is \$14.00 with a credit card
- 9. Make sure that you print off a membership card that shows you are a member**

Bring me a copy or the original and I will make you a copy of your card. You don't need the AB part of the membership, but it does give you increased insurance if you would like it.

Thanks,

Coach Putnam
