

2018 BASEBALL BANNER PROGRAM

Dear Business Owner,

In 2017, the Mission Hills High School Baseball Booster Club began a Banner Program to help support the Baseball Program for the upcoming season. In continuing that tradition, we are offering you this Banner Program as a low-cost opportunity to advertise your Business. The Banners are available in two sizes. The Outfield fence size is 5' x 20' and visible from the stands and the Backstop size is 3' x 5'. Your Banners will have a lot of exposure, as these banners are also visible from many parts of the Mission Hills Campus. The Varsity and JV play all of their home games on the field along with many local travel teams. The Banners will be in place for a full year and will be renewable in January 2019.

ALL WE NEED IS:
