FEDERATION
CHAMPIONSHIPS

APRIL 13TH - 15TH

Dear Community Partner:

The **North Bay Major Atom AA Trappers** are excited to announce that the 2018 Atom AA OHF Championships are being held here in North Bay from Friday, April 13th to Sunday, April 15th. This tournament is a great opportunity to showcase elite hockey players from across the province.

North Bay, with its strong connection to hockey, is proud to host this event which will highlight our community pride, teamwork and determination. Some of the finest hockey players began their careers in our local arenas, outdoor rinks, and on our many lakes.

Hosting this major event will not only boost our local economy, it will also bring recognition to the many unique facets of our beautiful city. Today, we are looking to our North Bay community partners to financially assist us in organizing a successful tournament and more importantly, a memorable experience for all of the participants, spectators, and sponsors.

There are many different ways that our community partners can become involved in this exclusive event, along with multiple levels of sponsorship commitment. With your support, we are positive that we will leave a lasting impression on the numerous guests in our city and continue to make North Bay known for the wonderful hockey community that we are.

We thank you in advance for your support. For more information, please contact Rob Heroux at 705 493 1821 or by email at nheroux77@gmail.com.
