BC Baseball Announce the Hiring of an Administrative Director

BC Baseball, the largest youth baseball association in British Columbia, is pleased to announce the hiring of an Administrative Director.

James Raymond has been associated with BC Baseball through 3 generations – seeing his father's involvement and now passing his own vision to his son, James has been with BC Baseball his entire life. From his enrollment in the various program offerings as a youth, James had progressed forward and became the President of the South Okanagan Minor Baseball Association where he was the lead ambassador for youth baseball in the surrounding community. He had many notable accomplishment as he progressed within the South Okanagan Minor Baseball Association as a Coach, Equipment Director, Board of Directors Member, and then on to President of the Association. His extensive personal work experience, coupled with his hands on understanding working within a constantly evolving community association make him a seamless fit for the Administrative Director position.

Given BC Baseball's membership in excess of over 25,000 players, coaches and association volunteers, the Administrative Director will be facing an all-encompassing, fast paced and vital role and will prove to be instrumental in delivering effective and efficient operations to the 11 Associations within BC Baseball.

We are excited to announce James as the Administrative Director as BC Baseball continues to deliver the largest, most comprehensive and most inclusive baseball program to the Province of British Columbia.
