

east beach

east coast beach volleyball academy

HOSTED BY: PRINCETON VOLLEYBALL CLUB AND
CENTRAL JERSEY VOLLEYBALL ACADEMY

NEW IN 2018: East Coast Beach Volleyball Academy is proud to have partnered with Great American Volleyball. This partnership makes GAV Juniors-EastBeach the largest and one of the best youth beach programs in the country!

Did you know that beach volleyball is considered to be the best cross-training for an indoor player wanting to improve their game? Are you interested in learning the beach game? It all starts with GAV-EastBeach. Our extensive experience in running a youth sand program has enabled us to put together a premier program, one which is sure to leave each player with a thorough knowledge of all aspects of beach/sand volleyball.

Our program is overseen by several Division 1 college coaches- all of which are actively involved as our sand coaches. In addition, many of our coaches are Beach Cap Certified, the highest beach volleyball coaching designation given through USA Volleyball; ensuring you receive the best training possible.

HOW THE ACADEMY WORKS

*The program is run as follows: Each player registers as a solo player (no partner) and is assigned a night to train; assignments factor in a player's availability, skill level, and age. Practices will occur one day per week (5:30-8:00 pm) between May 29th and August 2nd where players will learn the game of beach volleyball from our coaches. ****Note: Our Council Rock BOYS program will run from June 12-August 16****In addition, players who are training in the 2 vs 2 groups will be required to compete in at least two 2vs2 tournaments held at the Jersey Shore all summer/every weekend through Great American Volleyball (though many players choose to play every weekend). Tournaments run every week between May and September. ***Note: Tournaments cost extra (approx. \$30/player per event and all our club players will receive a discounted entry fee at each event).***

WHERE WILL WE PRACTICE?

This program will be held at several locations: Option 1- Plainsboro NJ, Option 2- Branchburg/Bedminster NJ, Option 3- Council Rock HS- Bucks County PA. Note for the Bridgewater/Bedminster location- Exact location will be determined by where your appropriate skill/age group is assigned; since locations are within 7 miles of each other, this typically does not cause any issues.

COST AND OTHER DETAILS?

The cost is \$250 for 10 weeks of training and the season-opening kickoff. This cost includes a Vital Sportswear GAV Beach Club basic gear package (example: tank top and training top). While we will attempt to reschedule any cancelled practices, this is not guaranteed due to limited court space. All players must also maintain an athlete membership with VolleyAmerica (this is the SAME membership which will cover you for tournaments!). This program is intended for players who have some type of formal volleyball (school, indoor club, etc) experience; we cannot accept players who are brand new to the game of volleyball due to space restrictions. In addition, players will be assigned to train with players of comparable ability.

HOW TO SIGN UP- 3 STEPS

*(1) Secure your 2018 VolleyAmerica membership at volleyamerica.com. **YOU MUST OBTAIN THIS MEMBERSHIP AND HAVE YOUR MEMBERSHIP NUMBER READY PRIOR TO PROCEEDING TO STEP 2!** (2) Register for our program by going to www.ecbva.com and choosing the "registration" tab. When registering, pay attention to the location you choose!! (3) Once you register, your application is not finalized until you pay the fee of \$250 when prompted. *****LATE REGISTRATIONS MAY NOT BE ACCEPTED, IF THEY ARE, THE FEE WILL BE \$300!******

ADMISSION IS LIMITED-MUST REGISTER BEFORE 4/28

ALL DETAILS WILL BE SENT OUT APPROXIMATELY MAY 10TH
