Looking for stuff to do this summer?

- Check out any **college volleyball** program for their camp schedules
 - CU, CSU, Air Force, Regis University, CCU, DU, Metro
 - Look for an “Individual Skills” camp if your daughter is interested in specializing (there are serving camps, hitting camps, setting camps, etc) or an “All Skills” camp if she’s just interested in everything volleyball!
- Denver-area volleyball clubs can be found on **www.rmrvolleyball.org** - they usually post a summer schedule of camps, too
- Girls can also get lots of experience and have lots of fun in any **leagues** that are held around town – doubles, three-on-threes, indoor/outdoor, etc.

Please contact me with any questions. I’m looking forward to next season!

GO CHARGERS!
