- **Uphold the High Standard** - Act in the image of and uphold the standards of a Champion in Life & in Sport.

Teamship Values for Athletes, Staff and Members

Excellence in Communication

Communication is the basis of all human interaction. It gives reason to our actions and unites teams through a common message. Poor communication can undermine effort, cause division and lead to mistrust. **ATHLETES, STAFF AND MEMBERS AGREE TO:**

- **Communicate Positively** – Be positive in your intent when communicating with all athletes, parents, volunteers, officials and members of the public generally. Do not speculate on others' performance or pass judgement on the decisions of officials. Be gracious in defeat and magnanimous in victory. Always think before speaking, no matter how emotional you may feel.
- **Communicate constructively** – Communicate only what is constructive to the efforts of athletes, coaches and members, as well as to your efforts. Do not undermine the efforts of others. Avoid gossip or other unsubstantiated speculation. If you need to know something gather the facts before coming to conclusions. Direct questions, complaints or suggestions to people who can help with information or corrections.
- **Communicate Fairly and Honestly** – Be consistent in your communication with others regardless of performances or behaviour. Follow a fair course of action whilst being open and honest in your communications.
- **Communicate Politely and Appropriately** – Be polite in your interactions with team-mates, colleagues, officials, members of other teams and the public. Seek out learning in your interactions. Speak only on matters with direct relevance to yourself, your sport and your performance. Look to find ways to enhance the Club in all communications and avoiding any escalation of issues.

Excellence in Reputation

WMSC's reputation determines how it is perceived by supporters and opponents alike. We work hard to maintain our reputation for being professional, well-organized, and highly disciplined. **ATHLETES, STAFF AND MEMBERS AGREE TO:**

- **Be an ambassador** - Uphold the reputation of the WMSC at all times. Be an outstanding ambassador for skiing, the community and the country that I represent. Recognize that as a team we need to always display a united front.
- **Be a Role Model** - Know that your actions and comments affect the reputation of the Club, as well as the morale within the Club. Act as a role model to all members of our ski community at all times
- **Be Positive.** Volunteer organizations cannot tolerate bad attitudes as it drives away good athletes, coaches and members.
- **Be Accountable** – Own the outcomes of your actions and efforts.
- **Be Proud** - Always take pride in your actions, your appearance, your Team's appearance and the appearance of our shared facilities and environment.
- **Be Supportive and Thankful** – Always support your team-mates and colleagues. Go out of your way to thank those who help, encourage and support you and your team.

**SKI RACING MAY BE AN INDIVIDUAL SPORT
BUT IT DOES NOT EXIST WITHOUT THE TEAM
AND THE SUPPORT OF THE SKI RACING
COMMUNITY. RESPECT YOUR TEAM AND
COMMUNITY.**

You are a part of a Team.

Always put the needs and interests of the team before your own.
