We would like to introduce Kayla Kelly as our 2019 Head Softball Coach. Coach Kelly joined the NB Family at the beginning of the school year as a Middle School LPA Social Science Teacher. She has also filled the role of Assistant Volleyball Coach for our Junior Varsity Volleyball Team this fall. Prior to joining the NBPS community, Coach Kelly played softball at Bethany College where she was a four year starter and finished her career ranked in the top six in program history for hits, home runs, triples, stolen bases and runs scored. She followed up her playing career by becoming a Graduate Assistant Coach at Lake Erie College, a Division II school that competes in the Great Midwest Athletic Conference. While at Lake Erie College she helped coach six players to all-conference teams and helped the team to their first GMAC conference tournament appearance in program history. With Coach Kelly's tremendous amount of softball experience we believe she is the perfect fit to continue to build our NBPS Softball Program.
