

The Nikki Ross Memorial 8 Week Winter Umpire School 2019 Umpire Classes

[It's that time of year again!](#)

The Nikki Ross Memorial Umpire School (NRMUS) is pleased to be hosting the annual 8 Week Umpire Clinic sanctioned by Baseball Ontario. We extend this invitation to Umpires from all associations. We are continuing the tradition of the late Nikki Ross, great advocate of the baseball community.

The intensive umpire training will include; contemporary techniques, procedures, mechanics and rule interpretations. Umpires will be gaining OBA Level 1 and 2 Certification with additional advanced components including game management, 3 umpire mechanics as well as advanced rules and interpretations. Baseball Canada Certified Course Conductors, will assist participants through each levels material. Pitching machines will be used to assist in development of positioning, eye tracking and timing.

The three-part course consists of: classroom work, involving rules & rule interpretations and on-field mechanics & positioning work. Students will spend three hours each week both in class and on field for a total of 24 hours instruction.

We offer an educational and enjoyable clinic. Please encourage other umpires to attend – register now! At the conclusion of the 8 weeks; awards, prizes and certificates will be given to participants!
