

Whistler Mountain Ski Club 2018-2019 Member Guidelines

The Whistler Mountain Ski Club has adopted the following guidelines to provide our parent Members with one document that provides pertinent information, lays out your basic obligations and outlines where you can find Club resources.

Kick Off Meeting - The Club will hold a “Kick-off Meeting” on December 1st, 2018 at Whistler Secondary School. The Kick-off Meeting will involve all athletes, parents and staff. Attendance at the Kick-Off Meeting is mandatory. Athletes or parents missing the Kick-Off Day will be required to commit to a follow-up meeting in the Club Cabin to cover the materials missed.

Communication Pathways - Coach to athlete/parent communication will be primarily through the TeamPages app. Coach cell numbers and emails are also available through the TeamPages app.

The Club recognizes that from time to time parents will have questions or concerns regarding their athlete or program. The Club provides parents with the following communication pathway:

- first, communicate with your athlete’s coach directly and openly;
- if your athlete’s coach is not able to address the issue, communicate with your age category lead coach; and
- finally, if the issue continues to remain unresolved, reach out to the Executive Director in writing to schedule a meeting.

Conduct Protocol - the Club has adopted a Conduct Protocol to achieve our mission of being a center of excellence in the development of champions. The Conduct Protocol has three primary elements:

- the Club’s Statement of Teamship Values, which guide us in our pursuit of excellence in behavior, effort, communication and reputation;
- the Club’s Athlete Code of Conduct lays out athlete responsibilities, as well as the Club’s minimum expectations for athlete behavior and the repercussions for non-compliance; and
- Respect in Sport for Parents, an online module designed to allow you to recognize and prevent bullying, abuse, harassment and discrimination.

ATHLETES WILL NOT BE PERMITTED TO PARTICIPATE IN ON-SNOW ACTIVITIES UNTIL THEY HAVE DELIVERED THEIR SIGNED AND PARENT CO-SIGNED TEAMSHIP VALUES AND ATHLETE CODE OF CONDUCT. ALL PARENTS MUST COMPLETE RESPECT IN SPORT PRIOR TO JANUARY 1, 2019.

VOLUNTEER

The Club only exists through the efforts of its volunteers, the vast majority of whom are parents of current and former athletes. The Club cannot provide the quality of programming and host the numerous races and events without all members committing their time to the Club. At the same time, parents constantly express that one of the most rewarding aspects of the Club is their volunteer experience and the life-long friendships that are formed

WMSC Volunteer Expectations	<p>All parents are expected to volunteer at our events at least eight (8) full days during the season, on- or off-hill; consisting of</p> <ul style="list-style-type: none"> • for parents of athletes racing in our sanctioned events (eg Nancy Greene, Zone & Provincial races, Spring Series, but excluding Whistler Cup), the Club expects at least one parent to volunteer per registered athlete per day of the event, and also to assist in net set-up, and • parents are also expected to volunteer at Club socials and fundraisers. <p>All families are expected to volunteer at Whistler Cup and the Ski Swap;</p> <p>Beyond volunteering at your own athletes' races, you are encouraged to volunteer for races in other age categories, both to support the Club and to develop your own skills.</p>
How do I volunteer?	<p>You will be able to select your preferences for volunteering throughout the winter program registration on your Active League One. Questions? Email volunteer@wmsc.info</p>

Non-Volunteering Fee/Donation - Many parents volunteer far in excess of the Club's expectations, but unfortunately some parents fail to meet their volunteer obligations, leaving these obligations to fall on the shoulders of other parents. This is not fair to parents who do volunteer, and has been an ongoing issue within the Club. The Club recognizes, however, that meeting the Club's volunteer guidelines is simply not feasible for some families. These families will be provided the opportunity to make a \$1,500 financial contribution to the Club in lieu their volunteer obligation. In exceptional hardship circumstances, the Club may waive this in lieu volunteer financial contribution. The Club monitors volunteer activities to ensure members are meeting their volunteer obligations.
