Volunteering – SMLL needs volunteers to have a successful program and to keep costs as low as possible for all families. Again this year we are requiring families to volunteer 3 full shifts to earn their volunteer deposit back (\$125 per family). The 3 shifts must be a **minimum of 2 concession stand shifts**. The other shift can be either Concessions, Umpiring, Grounds, or Special Projects. There is no extra time required for each additional player. Each family must have a **Volunteer Form** and must have it signed after each shift by a Board Member. When all 3 shifts have been completed the form must be mailed in to get your volunteer deposit returned.

For those that might be interested in Coaching, Managing or Umpiring please contact Nick Sabel, njsabel@gmail.com.
