We have a slightly differently role out of Spring soccer this year as we eagerly await the opening of the Andree Vadja Janyk Sports Field. Bookings have not yet begun for the sports field but our hope and goal is to start and finish the Spring season on the turf.

Spring season will start April 8 and will run until June 22, 2019. If, the AVJSF is not open by April 8 we are going to delay our first day until we can start on the turf (within reason).

**Spring Soccer is about FUN, developing skills and confidence all while playing with friends. Join US!**
