NBP ICE HOCKEY --- STATE CHAMPS!

Congratulations to the Varsity Ice Hockey Team --- 2019 SAHOF State Champions!

The NBP Varsity Ice Hockey Team carried their momentum from their 2019 FPSHL Championship into this year's SAHOF State Tournament. The Eagles were lucky to have the tournament held at their home rink, the Panther Ice Den, and they did not disappoint in front of their home crowd. The boys battled the entire 3 day tournament going undefeated and most importantly taking back the 2019 SAHOF State Championship Title! The Eagles knocked off Tampa Jesuit HS, East Lake HS and Douglas HS in the pool play rounds clinching the #1 seed and an automatic bid to the Championship game. The Eagles capped the weekend off with a 7-1 win over East Lake in the Championship game earning the title of 2019 State Champions! The boys also earned an invite to the 2019 US Hockey High School National Tournament in Cleveland, OH March 28th – April 1st. Let's keep up the hard work boys and bring home Championship!! Please follow our Athletics' Twitter and Instagram for updates on all the National Tournament Games! Good luck Boys!!
