Parents Information Session

Saturday, April 20th | 9 am to 10 am

Location: Pika Restaurant (downstairs of the Roundhouse)

For all strong skiers, 10 years and older from RDP and any program who are interested in taking their technical skiing to a new level and try out ski racing.

The Ski up day is an opportunity to try and learn about the Whistler Mountain Ski club, training on the Dave Murray National Training Centre with our professional ski racing coaches.

This day gives potential Whistler Mountain Ski Club athletes a chance to try the club out for a day and get a feel for if they would like to join the program next year. It also gives the parents an opportunity to meet some of the staff and learn about the program.

Bring a race / carving ski along with a keen attitude to ski some GS and freeski the whole mountain. All candidates should be able to comfortably ski black diamond runs.

Bring snacks (granola bars, fruit, nuts, etc.) and refreshments in your backpack as we will ski through until 1pm.
