Priority will be given to players who have participated in FRCTA's summer tennis camps and clinics. Call: Dartmouth Indoor Tennis (508) 993-4811.  
Call: 508-491-6144 May through September.

We're here to welcome a new generation of players and help them usher in the next era of tennis. By working with coaches, schools and parents, and offering them the full support of the USTA, we are ready to break new ground on and off the court.

To the Net Generation, we're excited to meet you. USTA's new youth brand, Net Generation, is for kids ages 5-18 and is designed to suit players based on their skill level and developmental readiness. This approach provides coaches the flexibility to modify lessons to better meet the needs of the player and facilitate development, making learning more fun.

### KIDS 10 & UNDER TENNIS

10 and Under Tennis uses the QuickStart Tennis play format that offers a better approach to introducing kids to the game. Balls are lower in compression; they bounce lower and don't move as fast so they are easier to hit. This allows kids time to get to the ball and helps them develop optimal swing patterns. Racquets are sized for small hands, and the courts are smaller and easier to cover. All that equals more fun and less frustration. 7/9 to 8/15 Tuesday and Thursday evening 6:00 to 7:00 pm at Morton Jr. High School. \$40.00 non-member residents, free for Fall River resident FRCTA Members.
