## TIDAL WAVES SUMMER

### SWIM TEAM (KIDS)

*ATL Champions 2009, 2014, 2015, 2016, 2017, 2018*

Have fun, while learning to swim correctly. A successful season is when not only do our children improve throughout the season and learn to compete both individually and as a team, but also build a strong sense of togetherness and team spirit.

## CPAC - USA SWIM TEAM (KIDS)

CPAC competes all year and encourages our swimmers to swim for their school teams, neighborhood summer league teams, as well as to play multiple sports if they so desire. CPAC's role is to train and get the best out of each swimmer without burning them out on the sport of swimming, while supporting your family's need for flexibility!

## CPAC - US MASTERS (ADULTS)

Year-round training group open to all levels of swimmers 18 years & older.
