

Minor Box Goaltender Development Sessions

Cameron Dunkerley, the Victoria Jr.A Shamrocks Goaltender, in partnership with Saanich Lacrosse is offering goalie clinics for minor lacrosse association goalies.

These sessions are designed to provide them with specific training throughout the season. These sessions are inclusive of gender, age, experience and level of lacrosse. The sessions are open to any minor lacrosse goalie (Saanich, JDF, VELA and Peninsula).

Cameron has been working with goalies for the last 6 years and playing for almost 20 now. He hopes to share his knowledge and passion with young goaltenders to develop them and work towards their full potential this year.

The sessions will be at Braefoot Box, starting this Friday, May 24 from 6-7pm and running each Friday thereafter. The cost of each session will be \$20/goalie.

Please contact Cameron at camdunkerley@gmail.com to confirm your spot.
