

Registration Package for 2019-2020

From the Head Coach

Dear Members,

I am very optimistic about MSSAC's future and am excited for the 2019-2020 Olympic year to begin. The new Board of Directors has established a very positive culture, the coaching team is fantastic and we have an awesome group of athletes. One of the most important aspects of sport to me is not that we achieve greatness, achieve goals and maximize each swimmer's potential, but how we accomplish all of those things. My personal goal for this team is that we accomplish all of those while providing daily training opportunities that ensure our athletes are being developed in a culture of optimism within a positive training environment. I want our coaches to provide the best environments where the athletes are excited and enjoy the process without compromising on goals and disciplined hard work. There are no short cuts if our goal is to excel but that does not mean we can't all enjoy the chase. The daily training environment is what dictates athlete's success and enjoyment of their sporting experience and myself and my coaching team are committed to this.

I look forward to seeing everyone in 2019-2020, working hard for this club's future and providing the best programs for your young swimmers. Let us all commit ourselves to do everything we can next season to make great things happen in MSSAC.

All the best,

Kevin Anderson ChPC

Director of Swimming

Fundraising and Points Commitments

Fundraising helps make swimming more affordable for everyone. Volunteers make swim meets run and provide help where the club needs it. That's what our Points system was designed for.

Families will be required to fully participate in all Club-related fundraising activities which may include, but not be limited to, sales of products, lottery tickets, etc., from time to time during the swim season. Families are also required to attain a minimum number of 'points' for volunteer activities throughout the swim Season.

Your mandatory fundraising and volunteer points obligations are listed below. Your fundraising levy / Car Raffle will be billed on December 1st to your account and can be paid by the credit card saved on your account. Your points obligation has two deadlines. By February 1st you must have completed 50% of your points total. By the end of the season, the remainder. If by February 1st you have not made your obligation your account will be charged the full penalty. You will then have to the end of the season to complete the rest of the points commitment. If you do, we will credit your account the points penalty that we charged you. If you do not, the club will keep the money it collected on March 1st.

All families (White and Up) must volunteer 1 session at Hicken. Failure to do so will result in a \$75 additional charge.

This year we will be having a CASH prize for the lottery. Tickets will be provided in December 2019 and the draw will take place in June 2020.

You may sell your books of tickets or keep them for yourself, entering your name on each ticket. Given that you paid for the tickets up front, the cash you receive as you sell the tickets is yours to keep. All tickets must be returned to the Club before (details and reminders will be provided) to ensure that they are included in the draw. **We will supply each member with the raffle rules when we distribute the tickets.**

More details on how our Points Program works is on our website

Internet Web sites, such as, but not limited to Facebook.com, Twitter and Instagram , on which people socialize and exchange information, shall not be used to post remarks or pictures that can be considered inflammatory, degrading, or in poor taste toward any other student athlete (MSSAC or otherwise), coach, or volunteer.

PIPEDA Policy

PIPEDA regulates the collection, use and disclosure of personal information. Swim Ontario has developed a policy on the collection, use and disclosure of personal information. We follow this policy.

The Swim Ontario policy is available via MSSAC's website (www.mississaugaswimming.com) or Swim Ontario's website (www.swimontario.com). Swim Ontario has access to all personal information collected by MSSAC.

Photo Policy

In the course of the swimming season, pictures and videos may be taken to promote the Club or to use as training materials. Most common uses are advertising material, publication on our website, displays at sports shows and our Awards Banquet, and for training purposes. We love to include parents/guardians in our event pictures as you're as much a part of the Club as your children!

By joining MSSAC, you are providing permission (on behalf of your child/ward), to the Mississauga Aquatic Club to photograph and/or record your child/ward and or your child's/ward's voice, in still photographs, video and/or audio tape and to use this material, in whole or in part, through the media of television, internet, multi-media presentation, radio, or in a printed form or display for the promotion or as part of the Mississauga Aquatic Club, or to create training materials for use by the Club.

Medical Policy

Any swimmer with an injury preventing him/her from full program participation must submit a Doctor's note. As soon as the swimmer is able to participate either partially or fully another note must be submitted approving the return to the pool along with detailing any restrictions. Doctor's note which must be submitted directly to susanne@mississaugaswimming.com

Concussion Policy

If a swimmer has been identified as having a suspected concussion, it is the responsibility of coach, administrator and/or supervisor of that activity to notify all affected parties including the swimmer parent/guardian (when appropriate) as well as other coaches, administrators and/or supervisors of the suspected concussion. At this point the swimmer should not participate in any physical activity until he/she has visited a medical doctor.

If a concussion is suspected, please be safe and consult a physician as soon as possible. Once diagnosed, concussion recovery varies considerably for athletes and is influenced by many factors. A licensed sport medicine practitioner or doctor, with experience in the areas of concussion management and treatment should guide all return to swimming decisions. The responsibility rests with the athlete, their caregivers/ parents, and MSSAC to ensure that there is no swimming until medically cleared to do so by their medical practitioner/ doctor.

SAFE SPORT Policy

MSSAC's safe sport policy will follow Swimming Canada's safe sport policy.

MSSAC provides a fun, healthy, inclusive and safe environment. Swimming enriches the lives of everyone involved by ensuring that the training and competitive environment is one where athletes, coaches, officials and volunteers know they are safe, and are treated with respect and dignity.

We believe that everyone in the sport has the right to enjoy swimming at whatever level or group they participate. Athletes, coaches, officials and volunteers have the right to participate in a safe and inclusive training and competitive environment that is free of abuse, harassment or discrimination.

MSSAC believes the welfare of everyone involved in the sport is a foremost consideration and in particular the protection of children/athletes in the sport is the responsibility of each individual, member and special interest group in the swimming community.

Club Personnel Screening Policy

MSSAC has a duty of care to protect and not place at unreasonable risk its swimmers. Working with vulnerable people, we assume the responsibility of screening personnel and volunteers. We follow the Swim Ontario screening process to identify and minimize the risk of an unsafe environment for our swimmers while interacting with paid, unpaid, volunteers and/or staff at the pool, at competitions, during travel and in other club activities.

Team Uniform Policy

Meet Fees

A detailed Meet Schedule will be available on the website.

MSSAC pays in advance for your swimmer to participate in swim meets. You will be billed for your swimmer's meet fees separately from your program fees and fundraising levy. You pay for the events that your swimmer is entered as well as the shared team costs associated with the swim meet.

If your swimmer is ill or injured and does not participate in the meet, you must still pay the meet entry fees. NO EXCEPTIONS.

For travel meets, you will be contacted by the Club via email to confirm participation. Travel meets are handled this way due to cost. The lead time to confirm participation in travel meets is generally further in advance so that we may finalize travel arrangements. If your account is in arrears you will be asked to bring your account current prior to a travel meet. All paperwork and travel deposits MUST be submitted and processed prior to your child being accepted on a travel team. There will be NO exceptions to this policy.

Please be aware that advising our office staff is not the correct method to confirm participation or to withdraw from a meet. Contact your swimmer's coach by email and cc the meet entries coach nandi.kormendi@mississaugaswimming.com.
