Thunderbirds Water Polo Club 2019 - 2020 Volunteer Commitment Form

The Thunderbirds Water Polo Club is maintaining the volunteer commitment program, introduced last year, for the 2019 - 2020 season. The level of commitment and value of volunteer deposit required, is based on the team your child plays on. Please see the attached documents for both the minimum number of points required to meet your volunteer commitment and the value of the volunteer deposit required at the time of registration. There are a number of ways to earn your required points, refer to the Description of Volunteer Opportunities for a description of the activity and the points available.

For families with multiple athletes, the fundraising requirement is as follows: for the first child - the fundraising requirement is 100%, for the second child - the fundraising requirement is 50%, for each additional child - there is no fundraising requirement.

Volunteer activities must be verified by a member of the board, or the coordinator for the particular volunteer event. Each family is responsible for tracking and submitting their own Volunteer Tracking Sheet by April 12, 2020. If the minimum number of volunteer commitment points have not been accumulated by April 12, 2020, your volunteer deposit cheque will be cashed.
