

AUGUST 25 & SEPTEMBER 8 U16B CVI RAGE TRYOUTS

2020 U16B TEAM TRYOUTS

The U16B CVI Rage girls fastpitch program is hosting tryouts for the 2020 softball season. We are looking for amazing, positive, team oriented young ladies to complete our roster. Our program is built on a foundation of hard work, respect, accountability, and a team culture that promotes a 'love and respect of the game'. We focus on skill development in the winter leading up to league and tournament play in the spring and summer. Coaches, players and families are committed to a high level of involvement and preparation leading up to and including the tournament season on and off Vancouver Island.
