

OPPORTUNITY TO VOLUNTEER

All tournaments must have a main contact person from each division to be the main organizer of that division's tournament. If you are interested in being that person for your player's division could you please submit your name and division to tournamentsomha@gmail.com by August 31 for rep and September 30 for recreational tournaments. Once the contact person has been identified then a division tournament committee should be struck which ideally includes representatives from all OMHA teams in that division. If no one steps forward the division coordinator will be responsible with working with the tournament coordinator to assign jobs to teams to make the tournament a success.

The duties of the main contact are the following (which can be delegated to committee members)

- In consultation with tournament coordinator and RIC assist with team selection.
- Communicating with accepted teams
- Set up tournament bank account if you are planning on applying for Class D gaming licenses.
- Contact Treasurer (Kris Harvey) if you plan to apply for a Gaming license PRIOR to applying.
- Create a budget and plan for medals, player swag, award costs. A sample budget will be provided.
- Create a volunteer schedule
- Create a game schedule to be distributed to accepted teams a minimum of four weeks prior to the tournament. I can assist with this if you have never done this before. The ice is already booked, and tournament sizes are set due to ice availability.
- Communicate with the sponsorship coordinator (Wendy Heshka) about soliciting donations PRIOR to asking any community members for prizes/donations. She has a list of businesses that have already been approached for ALL tournaments/jamborees.

Tournament/Jamboree	Fee	Tournament Date
T3 Bantam/T3 Midget Rep Tournament (checking)	\$1450	Oct. 25-27, 2019 (Provincial PD Day weekend)
