

2019/20 Season Information

CYBA Leagues are for:

Boys in 3rd grade – High School

Girls in 3rd grade – 8th grade

Skill Assessments

Skill Assessments for Players that did not play CYBA last season are scheduled for Sunday, October 6th. Players are scheduled by age, so watch the website for the full schedule. If your player is required to attend, you should receive an email reminder approximately 1 week before the event (however if you don't receive the email, but you know your child did not play last season, then please attend the assessments). The skill assessment event is also your opportunity to try on the uniform size that you have ordered to be sure it is correct.

Team Selection / Practice

Team selection occurs in mid November, with practices beginning in late November / early December. Players are notified of their team and practice schedule by their team coach. Each team is given 1 hour of gym time (using local middle schools and the Boys & Girls Club) on a weeknight for their practice.

Regular Season Games

Games begin on Saturday, January 11th and are held in local middle school gyms and the Boys & Girls Club. Each league is assigned a gym and either a morning or afternoon time period which is effective for all regular season games. **Regular Season games are played on 8 consecutive Saturdays.**

Playoffs

Every team qualifies for the double elimination playoff tournament. The tournament is played over two weeks on weeknights and Saturdays. During the playoffs, teams do not get their 1 hour of weeknight practice, as all gyms are used for the playoff tournament.

For the two teams that make it to the finals, the tournament ends on Championship Saturday. One team will be undefeated while the 2nd team will have lost 1 game. If the one-loss team wins, a second game is played to determine the champion. The 2nd game is also played on Championship Saturday, the game time is determined based on results of other leagues and gym availability.

All plays is completed by mid March.
