

# 2019/2020 CSV's FAQ / Fees / Schedule

## **How are players selected at tryouts?**

*Players are selected for teams based on skill, experience, work ethic, positional need, commitment, athletic ability and attitude. Player and parent/guardian chemistry are also a factor.*

## **Are your teams pre-determined?**

*No, every athlete is equally evaluated during tryouts from year to year. We welcome and encourage all athletes to tryout.*

## **Are you biased toward former Club Solano players?**

*For better or worse, every Club Solano player knows she must earn her spot every year. The reason for this is simple: we are committed to making our teams as strong as possible every year. The players who try out here want to play at the highest level possible, and in order to form such teams, the policy must apply to everyone. Our experience with anyone we know will naturally influence our decisions. That experience might help or might not. Every year our strongest loyalty is to the teams we are forming for that season.*

## **How many players are selected per team?**

*There will be 9 – 12 players on a team. The number of player is determined by the coach.*

## **Are offers given right after tryouts? or notify players later?**

*We will start offering positions after the coaches meet to review their evaluations, but some positions will be held open until after the make-up tryout on Nov. 10<sup>th</sup>. This procedure will mean players will have to wait to hear results of Make – Up Tryouts and it will also allow our staff more time to reflect on the very difficult decisions we must make. Team results will be posted on our website ASAP.*

## **What if my daughter is not selected, do you offer a program for her?**

Yes, our CSV Jr's Program is open to ALL ATHLETES, female and male, in 2nd-10th grade looking for an introduction to the wonderful sport of volleyball. Players are not required to try-out for this non-travel program. Our CSV Jr's program is perfect for beginners getting familiar with the sport for the first time and for seasoned players looking to continue to

develop and improve their volleyball skills in a fun and competitive learning environment.

This program will start on Wednesday, January 8th and last practice is Wednesday, April 29th. Cost is \$350.00. Practices will be once a week on Wednesdays, 5:30-7:00 pm at Allen Witt Gym, 1741 West Texas St. Fairfield, 94533. For more information and registration visit our website at “clubsolano.com”

**What if my daughter decides to quit before the season has ended?**

*Once a player has signed the written agreement, she has committed to her team and is financially responsible for the ENTIRE season. Refund policy: The club’s fees are based on the number of players participating at the beginning of the year and they are not variable. This means that if a player no longer plays with her team, the costs do not decrease. Therefore, there is absolutely no refund.*

**Does everyone get equal play time?**

*NO. All players will get equal practice time, but we give NO guarantee of playing time for the athletes. We will play your daughter as much as possible taking in consideration her skill level, competition, position, attitude and attendance.*

**Do you offer fundraisers?**

*Yes, we provide many different fundraisers to help with athlete’s expenses. Check with your coach.*

**Do you offer College Scholarships?**

*Yes, we offer two: the “Coach Bill” and “Club Solano” scholarship. Application and information will be posted towards the end of season on our website.*

**How do I determine what age division my daughter must play in?**

*Link to the Age Definition: <http://teampages.com/clubs/1398/documents/518304>*

**Where do teams practice?**

*Practice sites are: Allan Witt Gym, Sheldon Elementary School, Kroc Center, Vanden HS and Mare Island Sports Center.*

**Do you have open practices where I can come and watch?**

*Majority of our practices are open.*

### **What is a Power team?**

*Power 1 teams are highly competitive teams with the goals of finishing the season competing at GJNC (Girls Junior Nationals Championship or AAU Nationals) in June. These teams are performance based which means that an individual's playing time is determined by practice and tournament performance. If a player attends practice regularly, works hard and demonstrates the ability to perform the skills necessary to play the game at a level that would make the team competitive, then she will be given the opportunity to play. When given the opportunity to play, each player must bring to the court the skills that she demonstrated in practice that earned the playing time. If play in the game does not match her success during practice, then she must rededicate herself on the practice court. This cycle can only lead to success for the team and the player. Playing time is at the sole discretion of the coach as it relates to player performance and team strategy decisions.*

*Power 2 teams places the development of the player over winning, although the goal is to have these two be balanced so that the team may have a consistent level of performance. Playing time is not equally given at this level of play as the competitions the teams will face are very competitive. They will be playing in the Power League, same league as the Power 1 teams.*

### **What is Premier Team?**

*These teams are designed to give girls an opportunity to play club volleyball and for a much lower price. These teams will practice two times per week and will compete in the Premier League. This league is less competitive than the Power League. They will start with the fundamental 6/6 or 4/2 and possibly develop to a 6/2 or 5/1 offense.*

### **What should I expect on a tournament day?**

*The location of tournament is usually posted a few days prior to the date of tournament. Please note that NCVA solely determines the locations of these tournaments. Therefore, Club Solano nor any other club has any input on the locations. Some are definitely farther than others, we had Power teams travel to Fresno and Lake Tahoe for a single day tournament. Premier teams are usually within a 90 minutes radius. Typically, players will arrive at the playing site around 7:00 am. The schedule of matches will be posted at the playing sites. Mornings involve pool play and afternoons involve bracket play. It is not unusual for the final matches to be played around*

5 or 6 pm. Food: teams usually organize "group food". The team Mom / Dad will be responsible for coordinating the group food. This means each player is responsible for bringing one food item to feed the team, coaches and parents. Group food typically includes breakfast items, snack, lunch and drinks. There will be down time during the course of a tournament. The amount of time will vary at each tournament. Because of this, it is recommended that your player bring a pillow, blanket, books, homework, ipod or games. Please note that the safety and security of these items are the sole responsibility of the player.

### **What is your procedure for handling player problems?**

Consistent communication between player and coach is strongly encouraged throughout the season. All but the most difficult situations should be resolved directly between player and coach. Parents shall not approach Coach During tournament play. If a resolution is still not found, a meeting of all concerned parties with Club Director or HR should be requested. The following sequence of problem resolution will be strictly followed: Player – Coach, Player/Parent – Coach, Player/Parent/Coach – Club Director or HR..

### **Do I have to purchase uniform?**

No, "NIKE" uniform is included in the fee. Player will receive 3 jerseys, jacket, pant, 1 spandex, 1 backpack and 3 practice shirts.

### **When is the first payment?**

The first payment is due during the "Commitment Signing" on Sunday, Nov. 10<sup>th</sup>, at Allan Witt Gym, 1741 W. Texas St. Fairfield, 94533.

### **When is the uniform fitting?**

The uniform fitting is on Sunday, Nov. 10<sup>th</sup>, at Allan Witt Gym, 1741 W. Texas St. Fairfield, 94533. Your coach will inform you of the time.

**What are the fees for?** Administrative fees, Website, gym facility, equipment, uniform package, coaching salaries, advisory salary and tournaments.

**Social Media:** It is CSV's opinion that players and parents/guardians need to refrain from negative and derogatory remarks on any social media platform. Justified or not, players and parents-guardians character is judged by actions on these sites. Sometimes emotions run high and sites like twitter, snap chat, or whatever new social media site we're not aware of is the worst possible place to vent. Words used on these

sites can seem innocent to one person, but may take on an entirely different tone and meaning/intent to another. Things we wouldn't normally say seem to find their way onto these sites and become permanent reflections of one's character (fair or not.) Make no mistake; colleges, employers, and coaches looking to recruit athletes use these sites to help in their decisions regarding kids. There are endless examples of kids losing out on opportunities as a result of a bad decision regarding the use of social media. These tweets etc. are permanent record and are forever out there for all to see. Please represent yourself with class and dignity in all areas of life.

### Updated Payment and Tournament Schedule (11/9/19)

	11-1 Power	12-1 Power	13-1 Power	14-1 Power	15-1 Power	16-1 Power	17-1 Power	18-1 Power
Signing Nov 10/19	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000
