

Kenosha Wrestling Academy

Dear Potential Sponsor,

The Kenosha Wrestling Academy is seeking sponsors for its upcoming 2019-2020 season. Our sponsorship program runs November 1, 2019-October 31, 2020. In order to assure a successful program for the youth of our community, we rely on local businesses to provide sponsorship and help underwrite the cost of the program.

We are a 501(3)(C) non-profit youth sports organization, established in 2012 after recognizing the need for a community based program that is open to all athletes regardless of school affiliation. Our program teaches the fundamentals of wrestling to school aged athletes, kindergarten through twelfth grade. Each year our program has increased in enrollment and has included athletes from in and around the Kenosha area.

Wrestling is a sport of individual participation functioning within the framework of a team concept. This aspect contributes to the development of lifelong patterns of responsible behaviors including discipline, respect for others, and the ability to set goals and achieve them. A young person involved in wrestling can be expected to display increasing self-confidence, and appreciation of their self-worth.

All of the collected funds will be directed towards facility fees, uniforms, equipment, and tournament entry fees for all of our wrestlers. This helps lift the financial burden off of our wrestling families. Your donation will guarantee that this becomes a successful and enjoyable season. Please give this request careful consideration. For your convenience we have attached a donation form to this letter.

Please feel free to follow our team's success this season at www.kenoshawrestlingacademy.com

Thanks for helping your local community and helping grow strong, confident, young men and women in your area.

Sincerely,

Jason Feest
