**FORMAT**

This meet will be run in Modified Championship Meet Format with preliminaries, consolation finals, and finals for the 12 & U and 14 & U and Open age groups. **All relay** events will be conducted as **timed finals** and all relays will swim during the preliminary session.

**The distance 1650 Freestyle will be swum on a timed final basis** with only the fastest seeded heat, **top 8 submitted times not indicating a prelim swim**, to swim in finals. The balance of the heats is to be held in preliminaries, swimming fastest to slowest. The event will be swum as a

COMBINED timed final event (14 & U and Open) and will be awarded as 14 & Under and 15 & Over.

**Fly-over starts** will only be used in the preliminary sessions if necessitated by timeline.

**Distance event swimmers** must provide their own lap counter. Lap counters that do not have deck access via their coach card or athlete status will not be allowed on deck until 15 minutes prior to the distance event start time(s) and must exit the deck immediately following the swim. These counters must sign in and out at the deck entrance security table.

## Hosted by Franklin Regional Swim Team

**Courtesy rest**, 12-15 minutes timed between the athlete's heats not events, shall be given for swimmers in consecutive events. It is the responsibility of the coach or swimmer to

notify the meet referee of a swimmer's situation PRIOR TO the swimmer's first event regarding the courtesy.

## MEET CONDUCT

### RULES

The meet will be conducted in accordance with USA Swimming, including MAAPP (Minor Athlete Protection Policy), and Indiana Swimming rules and regulations.

### PRE-SCRATCH TIMELINES

Pre-scratch timelines for preliminary sessions will be available and shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. Timelines posted are only approximations to be used only for general planning purposes. The actual meet session timelines may vary from what is posted. Athletes and coaches are responsible to adhere to all meet deadlines and competition/event starting times.

### PRE-SCRATCH TIMED FINALS and RELAYS PRELIMS PSYCH SHEET

A pre-scratch prelims psych sheet for all 200-1650 timed final and relay events (not including 10 & Under Events). This shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. This is to be used for planning purposes, as scratches will alter the final seeding. **Note that distance swimmers may check-in and elect to swim during the prelim session. The top 8 submitted 1650 times not designated as a prelim swim will swim in finals.**

### COACH SCRATCH BOX RESPONSIBILITY

**All** scratches for individual events must be made at the Scratch Table by:

Friday Timed Finals	1 hour prior to start of Friday Finals
Saturday Prelims	30 minutes after start of Friday Finals
Saturday 10 & U	1 hour prior to start of 10 & U session Saturday
Sunday Prelims	30 minutes after start of Saturday Finals
Sunday 10 & U	1 hour prior to start of 10 & U session Sunday

Coaches must sign their names on the scratch forms.

The money for scratched events is NOT refundable.

### OVER ENTRIES

Failure to scratch by appropriate deadlines will result in swimmer being entered in consecutive events, beginning with the first until the maximum has been attained and scratched from all remaining events.

A copy of the seeded heat sheet after scratches shall be posted before warm-ups for Saturday and Sunday prelims.

### SEEDING OF INDIVIDUAL EVENTS

Seeding order: Short Course Yards - Long Course Meters - Short Course Meters (Y-L-S). No entry times will or should be converted for seeding.

In individual events other than the 1650, the swimmer is assumed to be swimming unless he/she has been scratched.

Per USA Swimming rule 207.11.7, **entrants in the 1650 Freestyle must check in at the Clerk of Course and confirm their intention to compete** before the scratch

deadline for the event in order to be seeded. **During check-in for distance, entrants may designate a preference to swim the event during prelims by marking an AM next to their name.** Individuals failing to check-in may present themselves to the Meet Referee or his/her designee requesting to swim, and may be placed only as there are existing open lanes in the slowest heat per gender.

After the Psych Sheet is published to the ISI website on Wednesday prior to the start of the meet, any swimmer entering as a late entry shall not be seeded in the top eight of the entered event. The swimmer will be seeded by their entry time, but no higher than 9th place.

### SCRATCH PROCEDURES - INDIVIDUAL EVENTS

**National scratch procedures, USA Swimming rule 207.11.6, will be observed.** Additions and modifications are noted below.

#### Preliminary Heats

In all events where preliminary heats are necessary, **or in any timed final event, excluding 10 & Unders**, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which they are entered and have not been scratched in accordance to the above deadline **will be barred from all further individual events of that day.** (NOTE: This does not bar an individual who has qualified earlier in the session for a Consolation or Final from swimming in that Final.) The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events.

Additionally, that swimmer shall be scratched from any individual events on succeeding days unless that swimmer or the swimmer's coach declares the swimmer's intent to swim prior to the close of the scratch box for that day's events, or within 30 minutes of the missed event.

#### Scratching from Consolations, and Finals

- SUNDAY ONLY: No-shows or not scratching according to the rules by the appropriate deadlines (Exceptions for failure to compete - B), for original/initial consolation finals or finals will result in a \$50 fine per swimmer regardless of the number of events missed that finals session. The fine shall be assessed to the swimmer. Host team will forward violations to the ISI office. ISI office will notify violators and collect fines. ISI office will send \$25 per fine collected back to host team.
- A. Any swimmer qualifying for the original consolation final or final in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet except as noted in "Exceptions" below. A declared false start 101.1.3E or deliberate delay of meet 101.1.5 is NOT permitted and will be regarded as a failure to compete. In the event of withdrawal or barring of a swimmer from competition, the Referee shall fill the consolation final or final when possible with the next qualified swimmer(s). Any

## Hosted by Franklin Regional Swim Team

potential alternate for finals must report to the Deck Referee or Starter prior to the applicable event. There will be no announcements made to fill the heat. prior to the applicable event.

- B. First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
- C. Where consolation finals have not yet been swum and a barring or withdrawal is known to the Referee, the Referee shall re-seed the consolation final and the final, if necessary, to insert the alternate(s) in appropriate lane(s), filling all lanes in the final.
- D. If the consolation final has already been contested, the final shall be swum without re-seeding for the empty lane(s).

### Exceptions for failure to compete:

No penalty shall apply for failure to withdraw or compete in an individual event if:

- A. The Referee must be notified prior to the start of the event of illness or injury and accepts the proof thereof.
- B. A swimmer qualifying for a bonus final, consolation final or final race following the preliminaries notifies the Administrative Referee within thirty (30) minutes after announcement of the qualifiers for that final race that he may not intend to compete and further declares his final intentions within 30 minutes following his last individual preliminary event.
- C. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
