

Please DO NOT share this link with anybody outside of your club - doing so can result in a club sanction!

Hello PVA Member!

PLEASE READ!

Thank you for your participation in the 2020 PVA Regional Tournament. This tournament spans two weekends and takes place in Rock Hill. It is a "Stay to Save" tournament, and we ask that our members book through our system in order to save our clubs and our members money. (For more information about Stay to Save, [visit our website](#)).

Our reservation process is done systematically, and we allow members to book their rooms only when it is their club's open reservation window. We are currently in **Window 9**, which is open to the following clubs:

<b>Ignite Volleyball Academy</b>
<b>Palmetto Elite</b>
<b>Branchville</b>
<b>Iron Volleyball</b>
<b>Seaside</b>

If you are not a member of any of the above-listed clubs, you are not allowed to make reservations until it is your club's reservation window. Any violation of this could result in sanctions and the region will cancel any unauthorized hotel bookings.

The following actions can result in a fine and/or suspension of a team and/or club:

- Booking rooms that you do not need
- Booking rooms in multiple hotels if you don't NEED them.
- Cancelling reservations within 30 days of the event.
- Not showing up to claim a room that you have reserved.

You have until the end of your window on **February 22** to make your reservation through our system. Here are the links you will need:

PLEASE READ ALL BEFORE CLICKING LINK(S):

For PVA Regionals Week 1 (12U-14U teams):

<https://groups.reservetravel.com/group.aspx?id=38023>

For PVA Regionals Week 2 (15U-18U teams):

<https://groups.reservetravel.com/group.aspx?id=38024>

Please note that you must book each room individually - you cannot reserve team blocks. This is a change from previous years. We are very sorry for the inconvenience that this may cause. Additionally, you must use the link for your weekend to reserve rooms - clicking on the link for one weekend and inputting the dates for the other weekend will show no availability.

You will need your team's 11-Digit Code in order to complete your reservations. Please get this code from your Club Director.

If you have any questions, please contact your Club Director. He/She can contact the region directly.

Thank you!  
PVA Staff
