Re: Request for financial assistance

RCUSC Club President,

I am writing you to request a (circle one) partial or full scholarship in the amount of \$_____ for our (circle one), daughter son, (full name) _____, who plays on the _____ team.

I understand and acknowledge there are a limited amount of scholarships available per team and that if my son or daughter receives a scholarship, they will be obligated to participate in any fundraising activities their respective team undertakes during the current season. I also understand that I/we (the parent/s) will be required to donate two hours of our time assisting the club at the club's Battle of the Jack tournament.
