

# Hello Neptunes

This is the latest release from The City of Maple Ridge.

All City programs are cancelled until April 30; the City will continue to monitor recommendations outlined by the health authorities and will communicate with the public if further cancellations are required. Cancellations include all City programs at satellite locations, not just those located at our closed facilities (ex: programs located at Whonnock Lake are also cancelled). Refunds for affected programs and rentals will be provided as soon as possible.

Playground structures located at City Parks will also be closed until further notice. City staff will be posting signs at Park sites to notify the public.

All festivals and special events of more than 50 people on municipal property in Maple Ridge are cancelled up to May 31 and until further notice as per the Provincial order.

We understand this is a difficult time for all and that these closures and cancellations may impact you, your family and/or your organization. We appreciate your understanding during this unprecedented time and are committed to providing you with updates and support where possible.

So, what this means to the Neptunes is that we will not be getting back into our pool until sometime in May, at the earliest.

We will continue to provide information to all our members as we get it.

Thank You

Jim Baxter

President Haney Neptunes
