

Prince George Pisces Swim Club – Members.

I will not endeavor to summarize the current global crisis or try and relate it to the comparatively trivial impact of our session being forced to an end. In turn, I will not attempt to predict the future and estimate when our lives will return to some state of normalcy. I will not take away from the personal impact that either of these situations may be having on you, nor will I pretend to be able to comprehend your individual situations.

What I will do is thank you!

On behalf of the Executive, I'd like to thank you for supporting our Club! You've contributed to making our Club an amazing place for all participants and competitors, old and young to enjoy in a healthy, active and engaging atmosphere. We have witnessed a complete rejuvenation of our Club over the last 3-years and we want to keep the momentum rolling for the remainder of the 2020 season. We are also looking forward to celebrating our Club's 50th Anniversary during the 2021 season! Our priority since forming this Executive has been to provide high caliber coaching in an inclusive and engaging atmosphere, where our competitors can support one another and enjoy themselves in and around club activities. We hope to continue to provide these services again and we hope to see all of you in the pool very soon.

With the 2020 Winter Session abbreviated, although beyond our control, the Executive supports ensuring your financial contributions are directly related to the services we provide. All paid members in the abbreviated session will be receiving a coupon code to apply to your next session. We appreciate the support during these trying times ensuring the viability of our Club.

Some of you may have noticed, Head Coach Ian Williams has posted, and will continue to post workouts on our Facebook and our Instagram pages for the remainder of the session. We are encouraging swimmers to post pictures, videos or comments of their workouts. We may not be able to do the workouts together currently, but we certainly can support our swim community by challenging one another to keep active and engaged, while globally we support the efforts to slow the curve and reduce exposure of COVID-19.

Sincerely,

Rory Boyle – President, PG Pisces Swim Club

On behalf of the entire Executive:

Bob Lees – Vice President
Shelby Watson – Secretary
Angie Evans - Director

Dominick Reiffarth – Treasurer
Rachael Wells – Director
Chris Gobbi – Director

Stacy Gaal – Registrar
