Re: Timmins Flyers Midget "A" Hockey Team

For over twenty years, Mr. Kim Barney ran and operated the Timmins Flyers Midget "A" hockey team and was the face of this team in our community. Mr. Barney poured his heart and soul into running a very successful team setting a high standard for Midget "A" hockey that many players have benefitted from over the years.

Over the past few weeks, Mr. Barney discussed the opportunity to transfer the team to the Timmins Minor Hockey Association. Today, after being granted approval by the Northern Ontario Hockey Association (NOHA), we are extremely happy and fortunate to announce that effective this coming 2020-2021 season, the Timmins Flyers will operate under the Timmins Minor Hockey Association.

On behalf of the entire board and our membership, we would like to thank Mr Barney for his many years of volunteerism and contribution to minor hockey in our community. Mr. Barney will remain on as a consultant for this coming season and will work with the TMHA Board for a successful transfer.

Best Regards,
