IX. Safe Practices:

- a. *BEFORE REGISTERING*, ensure that you understand and agree to abide by all rules set forth by the TEA, UIL, USA Swimming, and CCSL Swim league. These are non-negotiable safety precautions we must adhere to at all times. Please contact coach Huffman if you have questions.
- b. Practice
 - i. Parent pick up/drop off at the parking lot only
 - ii. No parent will be allowed into the facility, or onto the pool deck for any reason. Violating this rule will terminate your family's ability to participate in any of our aquatics programs indefinitely.
 - iii. The right side exterior doors to the pool deck will be open for swimmer entry 15 minutes before practice starts. All swimmers must enter at these doors where coaches will take temperatures and ask CDC guideline questions. Swimmers will maintain 6' distancing as they wait their turn to enter. Red duct tape will mark distancing space.
 - iv. Any swimmer who is sick should not come to practice. If they answer yes to any of the CDC health safety questions, or have a temperature over 100 they will be required to go home (please don't leave until your child has entered the building).
 - v. NOTE: ALL SWIMMERS MUST HAVE THEIR OWN WATER BOTTLE FOR EVERY PRACTICE. NO ONE WILL BE ALLOWED INTO PRACTICE WITHOUT A WATER BOTTLE. WATER FOUNTAINS ARE OFF LIMITS.
 - vi. Upon entry, swimmers will have a designated area for their personal items, and a lane where they will sit and await the start of instruction.
 - vii. After practice, swimmers will leave thru the left side exterior doors and must take all personal items/equipment with them.
 - viii. While at practice, swimmers may not use the locker rooms except for using the restroom one at a time. No restroom use will be allowed after practice.
- c. Ever Changing Conditions:
 - i. Guidelines, restrictions, and pool access is fluid and open to change. We are blessed to have administrators who value our sport as much as any other. Please, be flexible and prepared to accept change if and when it comes our way. Hopefully, we continue to move in a positive direction.

- ii. Please be understanding and prepared to follow instructions from our coaches and staff. Failure to follow what has been set for our sport can have a detrimental effect for everyone involved.
