Dear Aquatics Patrons,

As we all know we are in a time that is ever changing and each day brings new information regarding Covid-19 safety precautions. An example of this are the guidelines affecting the use of our North East ISD indoor pool facilities. Due to recent rulings the North East ISD may only open our athletic facilities in accordance with the University Interscholastic League (UIL) and the Texas Education Agency (TEA), which have just recently been put in place. These guidelines will only allow us to open our indoor facilities to students enrolled in our district and only incoming seventh graders through next year's seniors. Also, because this falls under the UIL Summer Strength and Conditioning Program as well as Sport Specific Skill Instructions, all participants must have a physical on file with completion of medical history form and a waiver. Returning athletes may find the physicals forms on our District Athletic website on the Parent Page. The waiver form will be shared via email sent by the NEISD Aquatics Dept.

I realize that this is a change from the email you may have received this past Tuesday. I apologize and am hoping that these guidelines are the beginning for a return to a more normal mode of operation. My office is regularly receiving updates from the UIL and TEA and as soon as we get the go ahead to expand our inclusion of more swimmers we will do so upon approval of our district leaders. Please know that I understand your frustration, if I can answer any questions you may have, please contact me.

Thank You,

Kelly J. Parker
Executive Director of Athletics
North East ISD
Blossom Athletic Center
12002 Jones Maltsberger Road
