

## NEW POLICY REGARDING PLAYER TRAVEL

FOR BOTH THE SUDBURY MINOR HOCKEY ASSOCIATION, COPPER CLIFF MINOR HOCKEY ASSOCIATION, AND NICKEL CITY HOCKEY ASSOCIATION

Any player and/or coach registered and practicing with SMHA, CCMHA, and NCHA in their respective bubbles that travels outside of the **Sudbury and Manitoulin Health District for hockey activities** is to **not return to their bubble and must self-quarantine from SMHA, CCMHA, and NCHA activities for 14 days.** Once the 14 days have been completed and player and/or coach is symptom free, the player and/or coach can return to SMHA, CCMHA, and NCHA activities. A second offence will result in the player and/or coach being removed/suspended from all SMHA, CCMHA, and NCHA activities for the remainder of the 2020-2021 season, with no refunds being issued. This player policy takes effect **immediately.**
