

MEMORANDUM

January 29, 2021

TO: District Presidents
District Registrars
Minor Hockey Association Presidents
Minor Hockey Association Coach Coordinators

FROM: Dave Cuning
Manager, Athlete Development

COPY: Sean Raphael
Vice President, Programs

SUBJECT: 2020 – 2021 We Are Coaches Clinic

BC Hockey has listed a “We Are Coaches” coaching clinic on February 12, from 6:00 – 9:00 PM. This is a female only clinic -- for female coaches, facilitated by female coaches. This clinic will take place virtually via Zoom, and will be hosted by Nancy Wilson (2013 BC Hockey Hall of Fame Inductee) and Whitney Juskiewicz (Female POE Coordinator/Instructor).

Please follow [THIS LINK](#) to register for the clinic.

This clinic follows the same pathway as Coach 2 – Coach Level, and leads to the same qualifications. To confirm which levels of play require head and assistant coaches to hold Coach 2, please follow [THIS LINK](#) to the “Team Requirements” page of the BC Hockey website.

If there are female coaches within your MHA that still require this level of qualification, or if you know of female coaches who could potentially coach within your MHA next season, please make sure they are aware of the clinic date and registration links.

Pertinent Zoom links (URL, meeting ID, passcode) are provided to coaches upon their registration within eHockey. If you do not receive meeting links after registering, please contact clinics@bchockey.net.

Prerequisites:

There are two prerequisites a delegate must satisfied before they will be able to register for this clinic:

- 1) **HU - ONLINE Coach 1/Coach 2.** Coaches can follow [THIS LINK](#) to register.
- 2) **HU – Planning a Safe Return to Hockey.** Coaches can follow [THIS LINK](#) to register.

Reminder:

- 1) Coach 2 does not ascend to “Certified” status, but delegates who complete will receive “Trained” status upon their MHA’s submission of their post-clinic task verification form to BC Hockey.

Any questions on coaching clinics can be directed to BC Hockey Manager, Athlete Development, Dave Cunning, at dcunning@bchockey.net.
