January 2, 2021

Dear Local Business Owners:

Methuen Girls Softball is seeking your financial support for our upcoming 2021 season. In 2019, we had over 360 girls from Methuen, ages 7-14 playing in our recreational softball league. Through our program, girls will be taught to improve their softball skills while learning the important values of teamwork and sportsmanship. As a board, we continue to strive for a low cost softball league and continue to work on capital improvements. Through the generosity of our supporters, Methuen Girls Softball League is able to provide low cost softball programs to Methuen's girls while focusing on making the necessary capital improvements to our facilities. In previous years, we installed batting cages at the Burnham Road complex, we made improvements to our hut and we did maintenance to the YMCA hut and Burnham Road, which enable us to capitalize on hut revenues to support softball programs.

Your donation is also tax deductible as we are recognized by the IRS as a 501c3 charitable organization. For your records, we will provide you with a letter for your donation with our tax ID number.

Please consider helping our League by becoming a sponsor. All sponsors business name/logo will be displayed on our website: [www.methuengirlssoftball.com](http://www.methuengirlssoftball.com)

**\$350 - Gold Level**

Business name on a team jersey based on a first come, first serve basis
