The first whistle starts the clock & game ending whistle ends the game on all fields.

Teams must be ready to enter the field at least 5 minutes prior to scheduled game time.

Kick Offs / Direct and Indirect Kicks / Goal Kicks / Penalty Kicks:**Kick Offs**

May be kicked in any direction. You cannot score directly from a kick off (ball must be 100% over the mid-line to be considered on the offensive half of the field). The kick off is an indirect kick.

Throw-ins

Must be directly over the player's head with both hands on the ball—traditional throw-in rules.

Direct and in-direct kicks

All dead-ball kicks (kick-ins, kick-offs, free kicks) are indirect with the exception of corner kicks, hand balls, and penalty kicks. Indirect kicks must only change position before the ball will be considered in play. If a free kick is awarded within five yards of the opposing goal line, the ball will be moved back to five yards from the line. It is the referee's discretion where the ball will be placed.

Goal kicks

May be taken from any point of the goal box. All Goal Kicks are indirect kicks.

Penalty kicks

Shall be awarded if, in the referee's opinion, a scoring opportunity was nullified by an infraction (the infraction does not automatically result in a red card). Penalty kicks are DIRECT kicks taken from 3 yards outside the box in the center of the goal.

Five-Yard Rule

In all dead-ball situations, defending players must stand at least five yards away from the ball. If the defensive player's goal is closer than five yards, the ball shall be played five yards from the goal line in line with the direction of play prior to the penalty.

Goal Scoring

A goal may only be scored from a touch (offensive or defensive) within the team's offensive half on the field. The ball must be completely on the offensive half of the field, and cannot be touching the mid-line (Example: kick-off). If a player in their defensive half kicks the ball across the midline and the ball hits another player (offensive or defensive) in their offensive half, and the ball goes in the goal, a goal will be awarded. If a ball is kicked from the defensive half and is not touched before the ball rests in the goal, a goal kick is awarded to the defensive team. A goal cannot be scored from an indirect kick, such as a kick-in from out-of-bounds. Goals scored by men will be awarded 1 point; goals scored by women will be awarded 2.

Goal Keepers / Off-sides / Slide Tackling / Hand Ball Clarification:

Goal keepers are restricted to using their hands only inside the penalty box and no slide tackling is allowed. If a player is sliding for the ball, contact with any player(s) from the other team is NOT ALLOWED. If a player slides and contact is initiated, a free kick shall be awarded. This does not prevent players from sliding to stop/intercept a ball where contact is not initiated during the slide. Example: a player may slide to save a ball from going out-of-bounds.

Hand Ball Clarification

Deliberate handling of the ball that denies a team of an obvious goal-scoring opportunity will result in the following: (1) A penalty kick (at the discretion of the referee) (2) A yellow or red card given to the player committing the hand ball (at the discretion of the referee).

Game Balls / Sizes:

Teams are responsible for providing game balls—size 5.

Tiebreakers all Tournaments and Leagues:

The following tiebreakers will decide who the winner is:

- Points
- Head-to-head
- Goal differential
- Goals scored
- Goals against
- Shoot-out

When there are 3 teams with the same number of points (3-way tie) the goal differential, goals scored or goals against will decide who wins.
