

Fowler Sea Dragons 2021
Dual Meet Requirements

2019 team size: 90 swimmers

- **Location:** The pool is located on the [Northeast end of the Fowler High School campus](#), adjacent to the gymnasium. The address is 701 E. Main St. The nearest major cross street is Adams Ave.
- **Facility:** Fowler has 6 competition lanes. Blocks at one end. There is a warm-up/cool-down lane. Officials, coaches and swimmers only, on the pool deck. Timers are officials. - Hint, hint.
- **Warm-ups:** Fowler warms up from 5:30 - 5:50. Visiting team has the pool from 6:00 - 6:20.
- **Entries:** We would like to run the meet pre-entered and seeded (like Time Trials). You will receive an event file to enter your swimmers. After entering the swimmers in events, send back the entry file. We can add late swimmers as needed. Coaches will receive a meet program with which to line up the swimmers. Note: Not required for virtual meets. **Virtual meets** will require a merge results file be sent.
- **Start Time:** The meet will start at 6:30 PM.
- **Cut-off Time:** We do not have a cut-off time for the end of the meet. Cut-off time is negotiable.
- **Lanes:** Visitors will have odd lanes. (1, 3, 5). To minimize the number of heats, we will consolidate heats when possible.
- **Heats:** All relays - two heats. Individual Freestyle - unlimited heats. All other individual events - 3 heats. Heat limits can be changed, just ask.
- **Timers/Stroke & Turn:** Please provide 9 timers and 3 recorders. We will provide the watches. If possible, please provide one or two stroke & turn officials.
- **Timers:** Timers should be seated by 6:25.
- **Swimmer ID Numbers:** A list of your swimmers, with numbers will be provided. Please write the swimmer number and initials on the swimmer. *Note: Not required if the meet is seeded.*
- **Social Distancing:** Please comply with social distancing/masking guidelines, whatever they may be at the time of the meet.
- **Awards:** 1st - 6th place in individual events and 1st - 3rd place in relay events.
- **Contact:** Mark Hurst (Head Coach/Computer) 289-0819 cvrsl.org@gmail.com
