

Granite Marlins Swim Practice Schedule 2021

We are excited for the upcoming 2021 RMAL swim season. We plan on returning to a normal swim season with in-person meets (a final decision will be made in a few weeks, but things look very promising). We know that several swimmers took last summer off, but we hope all swimmers will rejoin the team this year.

Registration for the 2021 Season is now open. [Here is the link to register.](#)

A couple of notes:

- **No swimming experience is necessary** for any age level to join, however we hope that swimmers are able to swim the length of the pool
- **Once morning practice begins, swimmers are encouraged to attend morning practices. Depending on pool capacity, swimmers may not be able to swim both morning and afternoon practices.**
- **At this time, we do not feel we will have to restrict the number of swimmers at each practice. However, if protocols require limitations of swimmers per lane, we may have to implement a policy to meet the requirements.**
- **We will need parents to volunteer to serve in many roles this year (clerk of course, computer operator, timers, and strokes and turns). No experience necessary, but we can't host a meet without your help.**
