

KIGOOS MINI MEET 2021

Warm up starts at **8:30am and ends at 8:55am** so races can start at **9am** but we encourage families to be at the pool no later than **8:15am**. If you registered to volunteer, please be at the pool by **8:00am for a volunteer debrief**.

Please make sure your child sees their coaches on Deck by the Shed before and after all their races so the Coaches can help them.

Questions new Parents and Swimmers might have:

- ***What is Marshalling?***
 - Marshalling is an area where swimmers prepare for their races. Marshalling makes sure that swimmers are in their proper races and heats.
 - Marshalling for the Kigoos Mini Mock Meet will be in the area where Swimmers usually exit, by the big silver gate. There will be white benches and a table where the Marshaller will be calling out heats. So please make sure you are listening and arrive to marshalling.
- ***How do I know when my race is?***
 - Heat Sheets will be provided where swimmers and parents can see what heat they are in.
 - The order is simple: youngest to oldest. Younger kids will swim in the first heats while older kids will swim later
 - Older Kids (Div 4 and up) will be swimming 100 meters only except for the 50 fly and 50 free. Younger Kids (Div 3 and down) will swim all 50s except for the 100 free and the 100 I.M.
- ***Are parents allowed to watch on the bleacher?***
 - Yes, However, mask wearing, and social distancing are strongly recommended.
 - There is limited capacity on the bleachers. Parents may only watch the races of their kids. **NO CAMPING/STAYING ON THE BLEACHER** past your swimmers race is permitted.
 - Parents may NOT watch from the pool deck but are welcome also watch from the back fence.
- ***Where do we go if my child is not swimming?***
 - There is a field in the back, behind the bleacher, where parents can form a tent city
 - *What's a Tent City?* A summer club tradition where parents bring *canopies, tents, tarps, lawn chairs and other essentials* to relax and socialize with other families while their kids are waiting or swimming.
 - We ask families to do their best social distancing and following other Public Health Measures
- ***What if I a parent cannot attend the swim meet?***
 - Please contact your swimmer coach ASAP!
- ***How does volunteering work?***

- Parents are only expected to time swimmers for a 45-minute shift
- A sign-up form will be sent out to parent before the meet to register.
- Two timers per lane (12 in total)
- one will have a stopwatch and record the results on a paper while the other will have a plunger (Basically the second stopwatch that sends the result to our computer system). This is to minimize any technical problems

Please do not Hesitate to ask any of the coach's questions about how meets usually work. That is why we are here!
