## CALLING ALL PARENTS, COACHES, PAST PLAYERS, EVERYONE!!

The Methuen Girls Softball league provides competitive fastpitch softball to girls from the ages 6 to 14 years old. As some of you are aware, MGSL consist of 100% voluntary board members. Most of which no longer have children playing in the league, whom have moved on. We are extremely excited to announce that Joe Di-Battista has accepted the position of Vice President. Joe is a great dad & coach, who's daughter plays at the U10 level. Unfortunately Joe only has a couple of other active board members, which just isn't enough to run the league.

We are asking for anyone interested in possibly becoming a board member to attend our Open Board Meeting on October 14th at 6:30pm in the Timony Grammar School Cafeteria. This is a great opportunity, without any obligations, to learn what being a board member entails and how it can be such a rewarding experience.

We are truly hoping for a great turnout because with only a few volunteers we would be in jeopardy of cancelling the upcoming 2022 season, or even worse the league itself. We are optimistic that we will not have to do this, and are willing to do everything possible to avoid this from happening, but we need your help.

MGSL takes a lot of pride in the many years of success that the league has had in developing not only our youth softball players, but more importantly team players and lifelong friendships. With your help, we hope to continue offering this opportunity to the youth girls of Methuen.

Sincerely,

The Methuen Girls Softball League

**Interested in playing softball next spring? *(Girls 6-14 years old)***

**Registration opens in January for our 2022 Season.**
