WHAT TO EXPECT WHEN ARRIVING AT OCEANSIDE PLACE

Effective immediately, everyone ages 9 and older entering Oceanside Place will be required to wear a mask in every part of Oceanside Place, including dressing rooms and washrooms. Once the players and coaches enter the field of play - they may remove their mask. This also applies to the score/time keepers who are considered in the field of play, but must put a mask on when leaving that area.

All spectators for games (either league or exhibition) will be screened at the door leading into either Meeker or Kraatz. They will be required to have their POV verified and will need to show picture ID. Persons between the ages of 12 and 18 must have their POV verified, but do not need to show ID. Spectators for practices are exempt from screening at this time.

Players, coaches, referees and volunteer parents (i.e. score/time keepers, manager and rostered safety people) are exempt from the POV screening.
