

Mountain View Little League Volunteer Jobs

MVLL is a non-profit volunteer-supported organization. Your registration fees help pay our direct cost of providing uniforms, equipment, facilities, and training to the players. Little League could not exist, however, without parent volunteers to help coach, umpire, and administer the league. We need every parent to help. Please help in one or more of the following ways:

___ Manager (head coach): With help from other coaches, directs practices and games. Does not need to attend every game. Experience not required at T-Ball and Pioneer level. Training is provided.

___ Coach: Assists manager at practices and games. Does not need to attend every game. Experience not required. Training is provided.

___ Team parent: Using phone or email, makes sure all parents on team are notified of games, practices, and other events. Organizes snack schedule, team party, etc.

___ Scorekeeper: At Minors AAA/Majors/Juniors games, keep a record of each play. Training is available. Can keep score while watching your child's game.

___ Umpire: Makes rulings on the field at Minors/Majors games. Flexible schedules available. Experience not required. Training is available. Ages 14 and up.

___ Web updates: Post news and other information to the MVLL web site. Basic web experience is helpful. Can be done from home with a computer and internet access.

___ Event help: Work at tryouts, Opening Day, Picture Day, Closing Day, or other events. Help with setup, snack shack, check-in, handouts, or cleanup. No experience required. Work one event per season.

___ Phone calls: Spend up to three hours making phone calls to assist with notifying parents, other volunteers, or recruiting sponsors. Can make calls from your home or office. One time only per season.

___ School liaison: Work with your school in getting MVLL news and information into daily announcement and weekly newsletters.

___ Translation: Translate flyers and other printed material from English to Spanish, or assist Spanish-speaking parents with registration or other league activities.

___ Construction, Maintenance: If you have special skills useful in maintaining the Little League facilities please let us know, as we are continually upgrading our facilities.

___ Sponsor: Make a cash donation to MVLL. Your company can be listed on our web site or even have its name on a banner, team hat, or team uniform. Contact us for more details.

Although we have busy lives, many of these tasks require just a few hours during the year or can be performed while attending your child's games and events. Managers and coaches do not have to have baseball skills, especially at lower levels, because they receive training from professional coaches. Please help MVLL this season.
